### ***Messages from Show Secretary:***

Any entries that are accepted by the show secretary after any deadline will be subject to day of show entry fees. There will be absolutely zero exceptions. **If you do not receive confirmation via e-mail of your entry, it was not received.** If you arrive at the show with no proof of confirmation from the secretary, your entry will be subject to day of show fees. Additionally, **day of show entries will not be accepted after the show starts at 8:00am.**

**The open and youth shows will not have comment cards** in an effort to save time, encourage people to help learn to clerk for judges, and to save paper due; most cards end up in

the trash at the end of the day. Exhibitors must get their rabbit's ear number checked off the control sheet with the table writer prior to cooping animals.

## **WSHLRC Auction Fundraiser**

Annually, WSHLRC holds a fundraising auction to help the club continue to host shows throughout the year, provide great prizes, help with routine club expenses, and to hire new and exciting judges. Without this fundraiser, not all of these things are always possible. We ask if anyone has any quality item or rabbit that they are willing to donate to the auction. These things can include quality show or breeding stock Holland Lops, equipment, baskets, various services, etc. All proceeds raised are donated directly to the club.

This year, we will be holding a 50/50 auction meaning half of the profit will be donated to the club and the other half will be given to the breeder.

*All live animal donations are subject to:*

- A health evaluation
- An evaluation of quality from a judge of the club's choice

*And must:*

- Exceed the two pound minimum weight
- Include complete three (or more) generation pedigree
- Come with a small bag of transition feed
- Be free of disqualifications (exceptions are made for quality brood does that are over four pounds)

WSHLRC reserves the right to refuse any donation for any reason, but all animals must meet those guidelines. There is no maximum number of quality donations! **All bids must be paid to the show secretary or treasurer via cash within one hour after the auction officially ends.**

# *“Best of the Best”*

## *Competition*

After all three of the Open and Youth shows are completed, the rabbits awarded Best of Breed in each show have the opportunity to compete for the “Best of the Best ” award for their corresponding category (open or youth). A judge of the club’s choosing will select their top pick of those winners.

The winner will earn:

- A Condo cage (SCM cages generously donated)
- Cash prize of \$50 for both the open AND youth winner
- One year’s worth of bragging rights!

This is an official ARBA show. All ARBA show rules will be adhered to for this specialty show. Youth must carry Youth rabbits to the Show table. For more information, please visit the website at [www.arba.net](http://www.arba.net)
